

Instruction Regarding Mock Allotment

1. Based on the options entered by the candidates and their rank in the merit list MOCK ALLOTMENT will be as per the procedures explained in the Notification No: DHS/BEC/UG/01/2023-24 Dated: 11.12.2023 & corrigendum.
2. Candidate are required to verify their allotted post status on the Website <http://hfwcom.karnataka.gov.in>. If they desire, they are free to change, reorder, delete and add to their choices of post as per their preference.
3. All the candidates must enter their final options before the last date prescribed. Candidates will not be able to change their options after the last date and time fixed to do so.
4. Even though the candidate may not like to modify the options after the Mock Allotment, he / she may NOT get the same post during the Real Allotment as other candidates may change their earlier entered options.
5. The mock test is only to help the candidates familiarize and show them the post allotted to them and it should be in no way presumed that same hospitals/post will be allotted to them in the hospitals/post actual allotment of hospitals/post. Because, the candidates have the option of changing the priority of the options entered by them after the mock allotment.
6. This Mock Allotment is only an INDICATIVE status which candidate may or may not get in the real allotment. It will help the candidate to revise, update, add or delete already the entered option.
7. The candidates should not report to the DHO/Dean/Director in the Mock Allotment, but they have to wait for the real post allotment.
8. Eligible candidates, who have not entered their options till now, can also enter their priority of options before the last date and time prescribed.
9. Candidates will also be able to view the details of hospital/post as per their options priority, Candidates can also view the hospital/post - wise cut off rank of Mock Allotment.
10. The candidate's, who have not allotted any post to hospital / institutions due to any other reasons in the mock allotment, should verify the options entered by them and are advised to enter more options to which they are interested and eligible.
